

CAPABILITY STATEMENT

Company Overview

Monarch-McLaren is a U.S. manufacturer of precision leather seals, packings, and custom sealing components engineered for demanding industrial, hydraulic, pneumatic, and water system applications. With more than 75 years of manufacturing experience, we provide high-performance leather sealing solutions trusted across a wide range of industries requiring durability, flexibility, and long service life.

From standard components to fully custom engineered products, Monarch-McLaren combines traditional craftsmanship with modern manufacturing capabilities to deliver reliable solutions with responsive lead times and exceptional customer support.

Our products are proudly manufactured in the United States at our Elkhorn, Wisconsin facility and are engineered to meet military specifications including MIL-W-5521 and KK-L-164 A for applicable applications.

CORE CAPABILITIES

Precision Leather Seals & Packings

- Leather Packing
- Flange Packing
- Vee Packing
- U Packings
- Cup Packings
- Well Cup Packings
- Back-Up Washers
- Flat Belting
- Custom Engineered Packings

Custom Manufacturing

- Full custom fabrication capabilities
- Sizes ranging from 1/2" carburetor cups to 101" U-packings
- Prototype and specialty production
- Custom material impregnation options including Thiokol
- Application-specific engineering support

Industries & Applications

- Hydraulic & Pneumatic Systems
- Water Well & Pump Systems
- Industrial Equipment
- Aerospace & Defense Applications
- Restoration & Legacy Equipment
- Agricultural Equipment
- OEM Manufacturing

WHY MONARCH-McLAREN

Proven Experience

More than seven decades of expertise in leather sealing technology and precision manufacturing.

American Manufacturing

Proudly manufactured in Elkhorn, Wisconsin, USA.

Responsive Turnaround

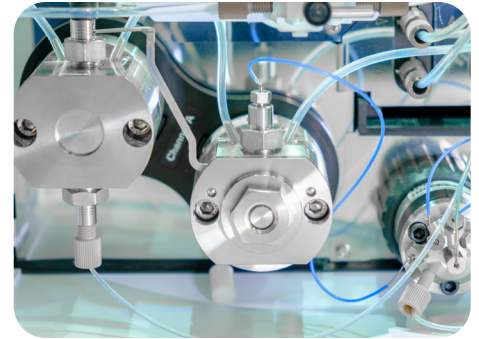

Efficient production and customer support with short lead times.

Engineered Performance

Leather sealing products designed for durability, flexibility, low friction, and long service life.

Custom Solutions

Capabilities ranging from standard replacement components to fully engineered custom products.

CERTIFICATIONS & QUALIFICATIONS

Government & Military Registration

- Registered through SAM.gov
- CAGE Code: 2J970
- DUNS: 117531392

Water Quality Certification

Certified Lead Free Products through the Water Quality Association (WQA) for applicable potable water applications.

Standards & Compliance

- Products engineered to military specifications including:
 - MIL-W-5521
 - KK-L-164 A

NAICS Codes

- **339991** - Gasket, Packing, and Sealing Device Manufacturing
- **316990** - All Other Leather Good and Allied Product Manufacturing

Differentiators

- 75+ years of leather manufacturing expertise
- Full-service custom manufacturing capabilities
- Engineered sealing solutions for critical applications
- Responsive customer service and technical support
- Made in the USA
- Long-life, durable products designed for demanding environments
